BAKERY

CATALOGUE

HISTORY:

Gantoum Bakery started its journey with a workshop and a store in 2017 with the vision of improving the quality of baking goods. We are committed to using only the freshest and most wholesome ingredients to ensure that every bite is a delightful experience.

Currently, we are expanding with the concept of one workshop and four branches. To achieve our vision, we have trained our staff with the most updated culinary and bakery courses from the best colleges and equipped our workshops with the latest machinery.

Our competitive advantages include using the most wholesome ingredients in our products, employing a 56-year-old sourdough in our bread, abstaining from using baking soda or preservatives in our products, To achieve our second goal, we employed the best staff to ensure the best customer experience.

Şehrin eski bölgesine giderken içine girdiğimiz trafik insan rofobi etkisi yaratıyor. Neyse ki şehirde nefes almanız sağlanaklı lokantalar yer alıyor. Bizim tercihimiz, yerel halkın şehrini sunulduğu Guc Gach önerdiği pizzacı 4P'S ile yerel tatların tadını çıkararak, bir havuzun yer aldığı Hotel des Arts'de yedik. Ho Chi Minh'yi keyifli bir akşam yemeğinin ardından yüzey otelimiz The An Lao Café oldu. Akşam yemeğimizi ise çatısında şehir manzaraları sunan bir konuma sahip olan bu otel, şehirdeki son durliğimiz oldu. Saigon River'a giderek kendimizi huzurlu bir uykuya bıraktık. Ve bu büyülü tatilimizden arda kalan ise Paris'teki evimizi süsleyen seramikler, fotoğraflar, hasır örgülü sepetler ve tabii ki ipekkılıç malar oldu.
